Wednesday 08/09

Morning: visit of a cheese dairy producing organic Parmigiano - Reggiano and of the Museo dell'Auto e Motod'Epoca Umberto Panini. It is home to a collection of about 40 cars, 30 motorbikes and a selection of bicycles, motors and interesting military vehicles. The vehicles in the collection are of great value to Maserati, also because they are unique: the «6CM» from 1936, of which only 27 were made and which dominated European races in the "small car" category and won the "Targa Florio" award, the "A6GCS Berlinetta Pininfarina", of which only four were made, which, with its "Barchetta" bodywork, won the "1000 Miglia" race in its category three times. Transfer to a traditional "acetaia" where you'll discover the production of the famous traditional balsamic vinegar of Modena. Lunch. In the afternoon visit of the Maserati factory (if available) or to the private Stanguelini museum, where

you'll admire the first Fiat Sport 750 and 1100 cars, the engine constructed entirely by Stanguellini in 1950 and also the glorious Stanguellini Junior 1100 from the 1960s, winner of the Montecarlo Junior GP of 1959, up to the famous Colibrì designed by Scaglione and the prestigious Formula 3, a jewel of sports creativity. Return to the hotel. Free time for shopping and dinner (not included) and overnight stay.
